画儿童教育绘本是洛妈妈一直以来的心愿。

送给天下的孩子们，
用画引导孩子学习如何尊重自己及他人，
从画孩子可以学习自律、自爱自重。

送给天下的父母们，
一本与孩子一起学习及自我成长的绘本。

一本值得陪伴孩子一辈子的启蒙教育绘本。

洛妈妈

This is my first educational illustration children book.
To draw an educational illustration children book have
always been my wish.

A gift for children,
from the illustration which guide children to learn how
to respect themselves and others; Learn self-discipline,
self-love and self-respect.

A gift for parents,
A children book which can learn and grow together with
the children.

An early childhood book that every children deserve to be
with them for a life-time.

Attitude 态(tài)度(du)

If I can be close to and learn from people of great virtue and compassion;
I will benefit immensely; My virtues will grow daily and my wrongdoings
will lessen day by day.

Discipline 自(zì)律(lǜ)

I will get up in the morning before my parents; at night, I will go to bed only after they have gone to sleep. When I realize that time is passing me by and cannot be turned back, and that I am getting older year by year, I will especially treasure the present moment.

孝 (xiào) 顺 (shùn) **Filial**

When I have loving parents, It is not difficult to be a dutiful child.
But if my parents hate me and I am still dutiful to them; only then will it
meet the standards of the saints and sages for being a dutiful child.

Teacher 师(shī)长(zhǎng)

"Standards for Being a Good Student and Child" was taught by Chinese saints and sages of the ancient past. First it teaches us how to be dutiful to our parents, and how to be respectful and loving to our siblings. Then it teaches us how to be cautious with all people, matters and things in our daily life, and to be a trustworthy person.
